The COVID "Killer Vaccine." People Are Dying All Over the World. It's a Criminal Undertaking

MICHEL CHOSSUDOVSKY
OCT 19

READ IN APP

We are being accused of "spreading disinformation" regarding the COVID-19 vaccine.

The Reuters and AP media "trackers" and "fact checkers" will be out to smear the testimonies of parents who have lost their children.

"Once the Lie becomes the Truth, there is no moving backwards. Insanity prevails. The world is turned upside down."

Let us be under no illusions, the COVID Jab is not only "experimental," it's a **Big Pharma "killer vaccine"** which modifies the human genome. The evidence of mortality and morbidity resulting from vaccine inoculation both present (official data) and future (e.g. undetected microscopic blood clots) is overwhelming.

The official data (mortality and morbidity) as well as numerous scientific studies confirm the nature of the COVID-19 mRNA vaccine which is being imposed on all humanity.

Peer reviewed reports **confirm the causes of vaccine related deaths and "adverse events" (injuries) including among others blood clots, thrombosis, myocarditis, cardiac arrests.**

The stated objective is to enforce the Worldwide vaccination of 8 billion people in more than 190 countries, to be followed by the imposition of a digitized "vaccine passport". Needless to say this is a multi-billion dollar operation for Big Pharma. It's a crime against humanity.

The global vaccine project entitled COVAX is coordinated Worldwide by the WHO, GAVI, CEPI, the Bill and Melinda Gates Foundation in liaison with the World Economic Forum (WEF), the Wellcome Trust, DARPA and Big Pharma which is increasingly dominated by the Pfizer-GSK partnership established barely four months before the onset of the Covid-19 crisis in early January 2020.

The COVID-19 "Vaccine" from the very outset in January 2021 has been conducive to a worldwide upward movement in mortality.

This is not manslaughter. It's murder.

Yes, It's a killer vaccine. That message should be loud and clear.

This is happening all over the world: children and adolescents are dying.

Crimes against humanity, crimes against our children.

Less than two months following the launching of Pfizer's mRNA "vaccine," a mass funeral protest was held for children who died after receiving the vaccine in Geneva, Switzerland (January 29, 2021).

The Criminality of Pfizer Is Beyond Doubt

But did you know, Pfizer already has a criminal record with the US DOJ for “fraudulent marketing.”

And nobody knows about Pfizer’s criminal record because the media fails to report it.

[Click here to view the video.](#)

Can we trust a Big Pharma vaccine conglomerate which in 2009 pleaded guilty to criminal charges by the US Department of Justice (DoJ) including “fraudulent marketing” and “felony violation of the Food, Drug and Cosmetic Act”?

In 2009 Pfizer was put on “probation” by the US Department of Justice:

“As part of the settlement, Pfizer also has agreed to enter into an expansive corporate integrity agreement with the Office of Inspector General of the Department of Health and Human Services. That agreement provides for procedures and reviews to be put in place to avoid and promptly detect conduct similar to that which gave rise to this matter.”

Corporate Integrity? Where are the procedures and reviews?

That “similar conduct” by Pfizer is being repeated in 2020-2022 on a much larger scale than that of 2009.

What is unfolding is the worldwide “fraudulent marketing” of a “killer vaccine,” which constitutes a crime against humanity.

Bombshell. Pfizer’s Mea Culpa

Pfizer Reveals in a secret report (declassified under freedom of information) that its mRNA vaccine is a “killer vaccine.” The evidence comes from the “horse’s mouth.”

“By February of 2021, Pfizer had already received more than 1,200 reports of deaths allegedly caused by the vaccine and tens of thousands of reported adverse events, including 23 cases of spontaneous abortions out of 270 pregnancies and more than 2,000 reports of cardiac disorders.”

Bear in mind, this is Pfizer’s own data.

In a twisted irony, the data revealed in this “insider report” refutes the official vaccine narrative peddled by the governments and the WHO. It also confirms the analysis of numerous medical doctors and scientists who have

revealed the devastating consequences of the mRNA “vaccine”.

What is contained in Pfizer's “confidential” report is detailed evidence on the impacts of the “vaccine” on mortality and morbidity. This data which emanates from the “horse's mouth” **can now be used to confront as well formulate legal procedures against Big Pharma, the governments, the WHO and the media.**

Pfizer was fully aware that the mRNA vaccine which it is marketing worldwide would result in a wave of mortality and morbidity. This is tantamount to a **crime against humanity on the part of Big Pharma.**

Pfizer knew from the outset that it was a killer vaccine.

It is also a **mea culpa and treason on the part of corrupt national governments worldwide** which are being threatened and bribed by Big Pharma.

No attempt has been made by the governments to call for the withdrawal of the killer vaccine.

People are told that the vaccine is intended to save lives.” (Michel Chossudovsky)
